What is Talent Hunt?

An online campus recruitment process of Sun Pharma for their R&D centers located at Baroda and Gurgaon for their Analytical Development Department for the year 2023-24.

The objective of Talent Hunt is to identify a pool of talented M. Pharm/M.Sc. students across the country through a centralised rigorous testing and interview mechanism. Sun Pharma will provide career path through which the selected candidates can groom and transform into future Pharma leaders.

Who is eligible for the Talent Hunt?

Students who are currently in their final semester/year in **M.Pharm** with disciplines of **Pharmaceutical Analysis, Pharmaceutical Chemistry and Quality Assurance** and **M.Sc.** students in the disciplines of **Pharmaceutical Chemistry, Physical Chemistry, Analytical chemistry and Organic Chemistry** only can register through the link provided by Sun Pharma in the invitation mail.

Students who are currently pursuing their final academic semester/ year and who can join the organization by June end 2023 after completion of their academic requirements may only register.

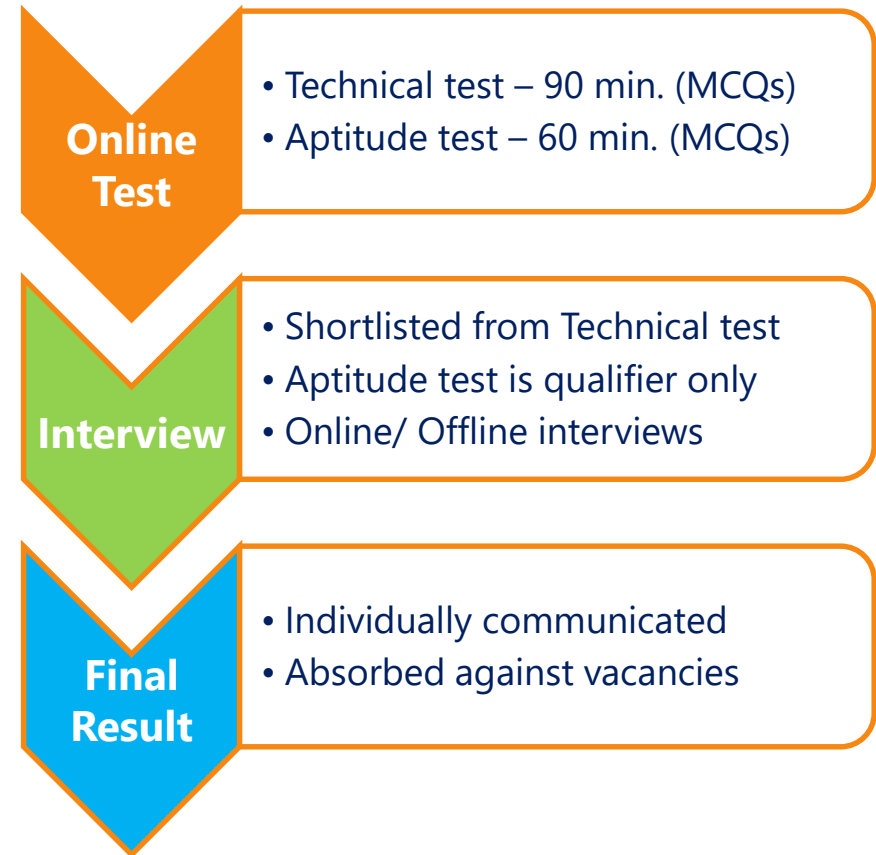

What is the Selection Process?

It is a two step process.

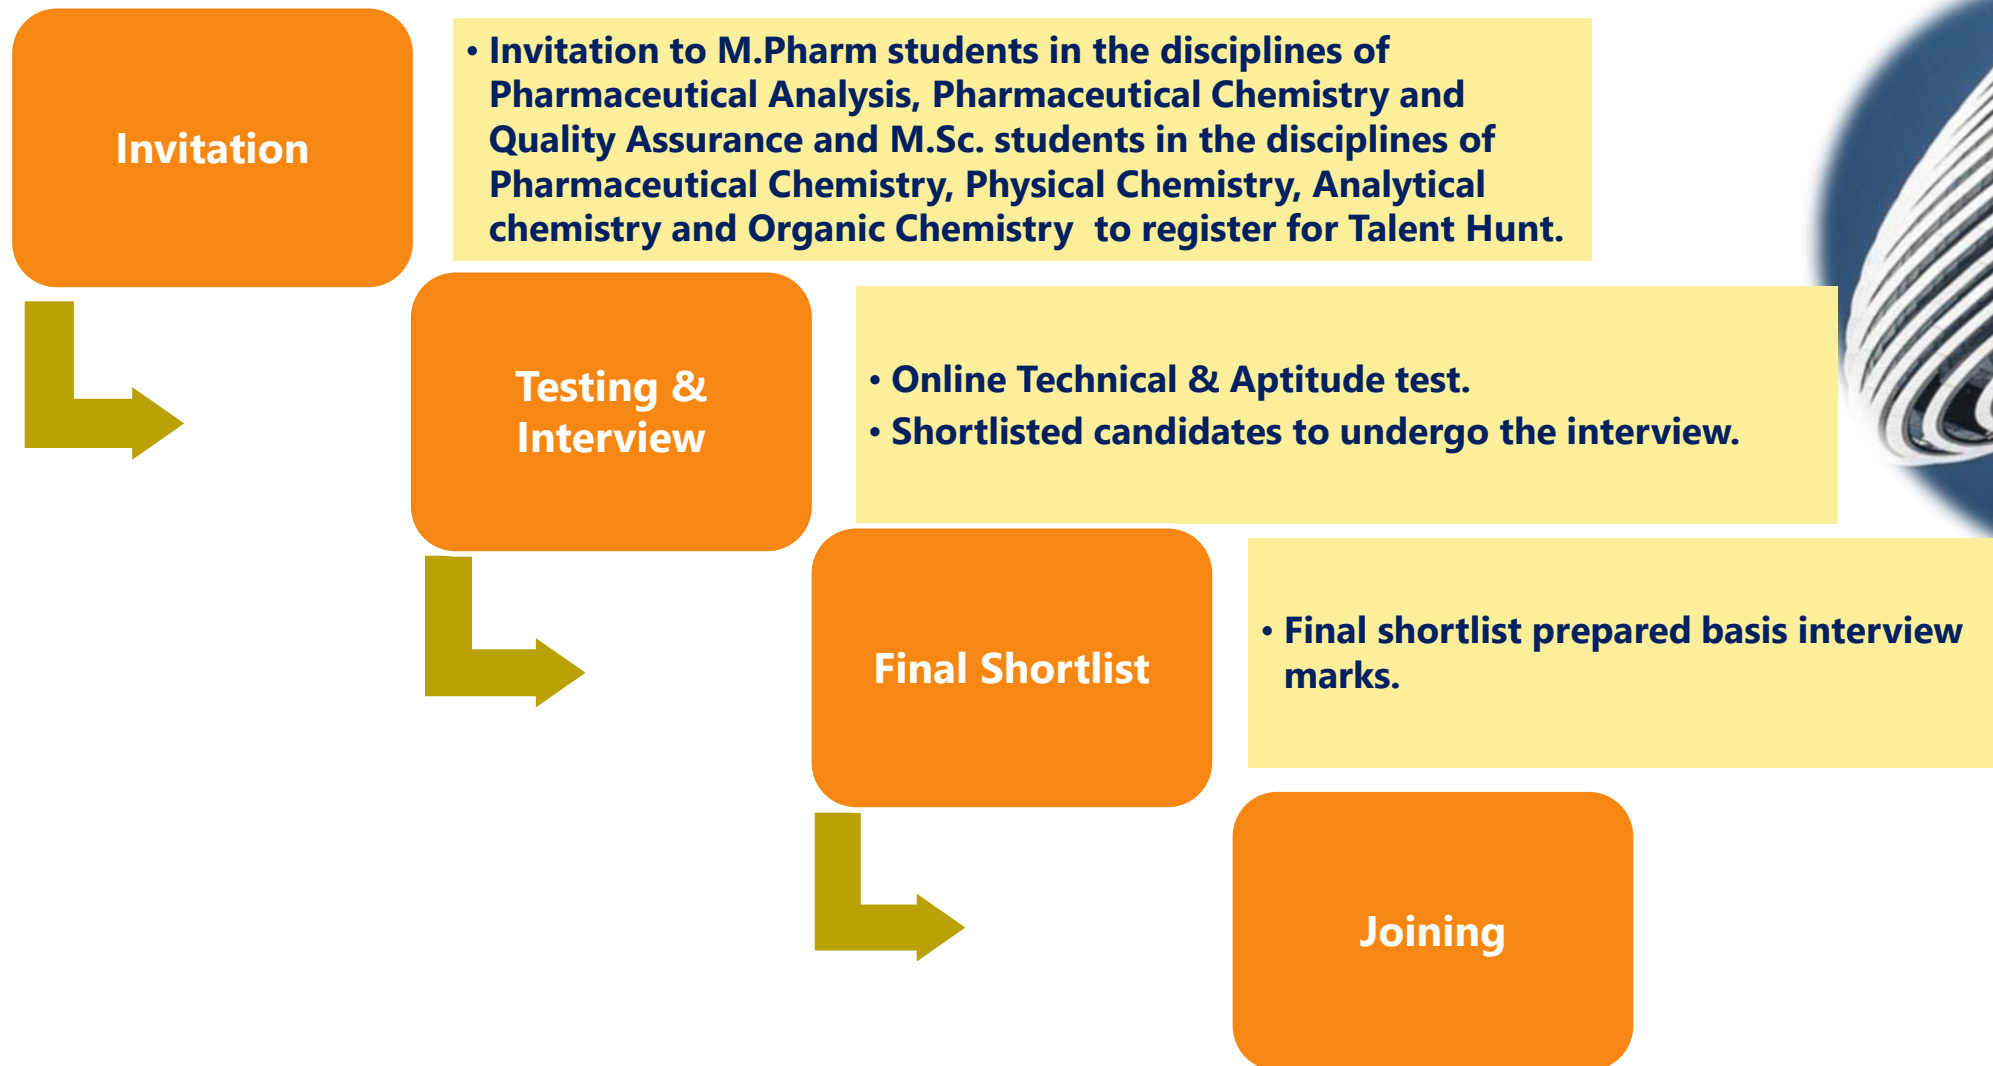

First step: An online test comprising of Technical Evaluation and Aptitude of 90 min. and 60 min. respectively.

The Aptitude test shall be a qualifying test and the marks shall not be considered for the shortlisting. Post the test, the shortlisted students would be communicated individually through their personal mail IDs. There is no provision for offline mode exam.

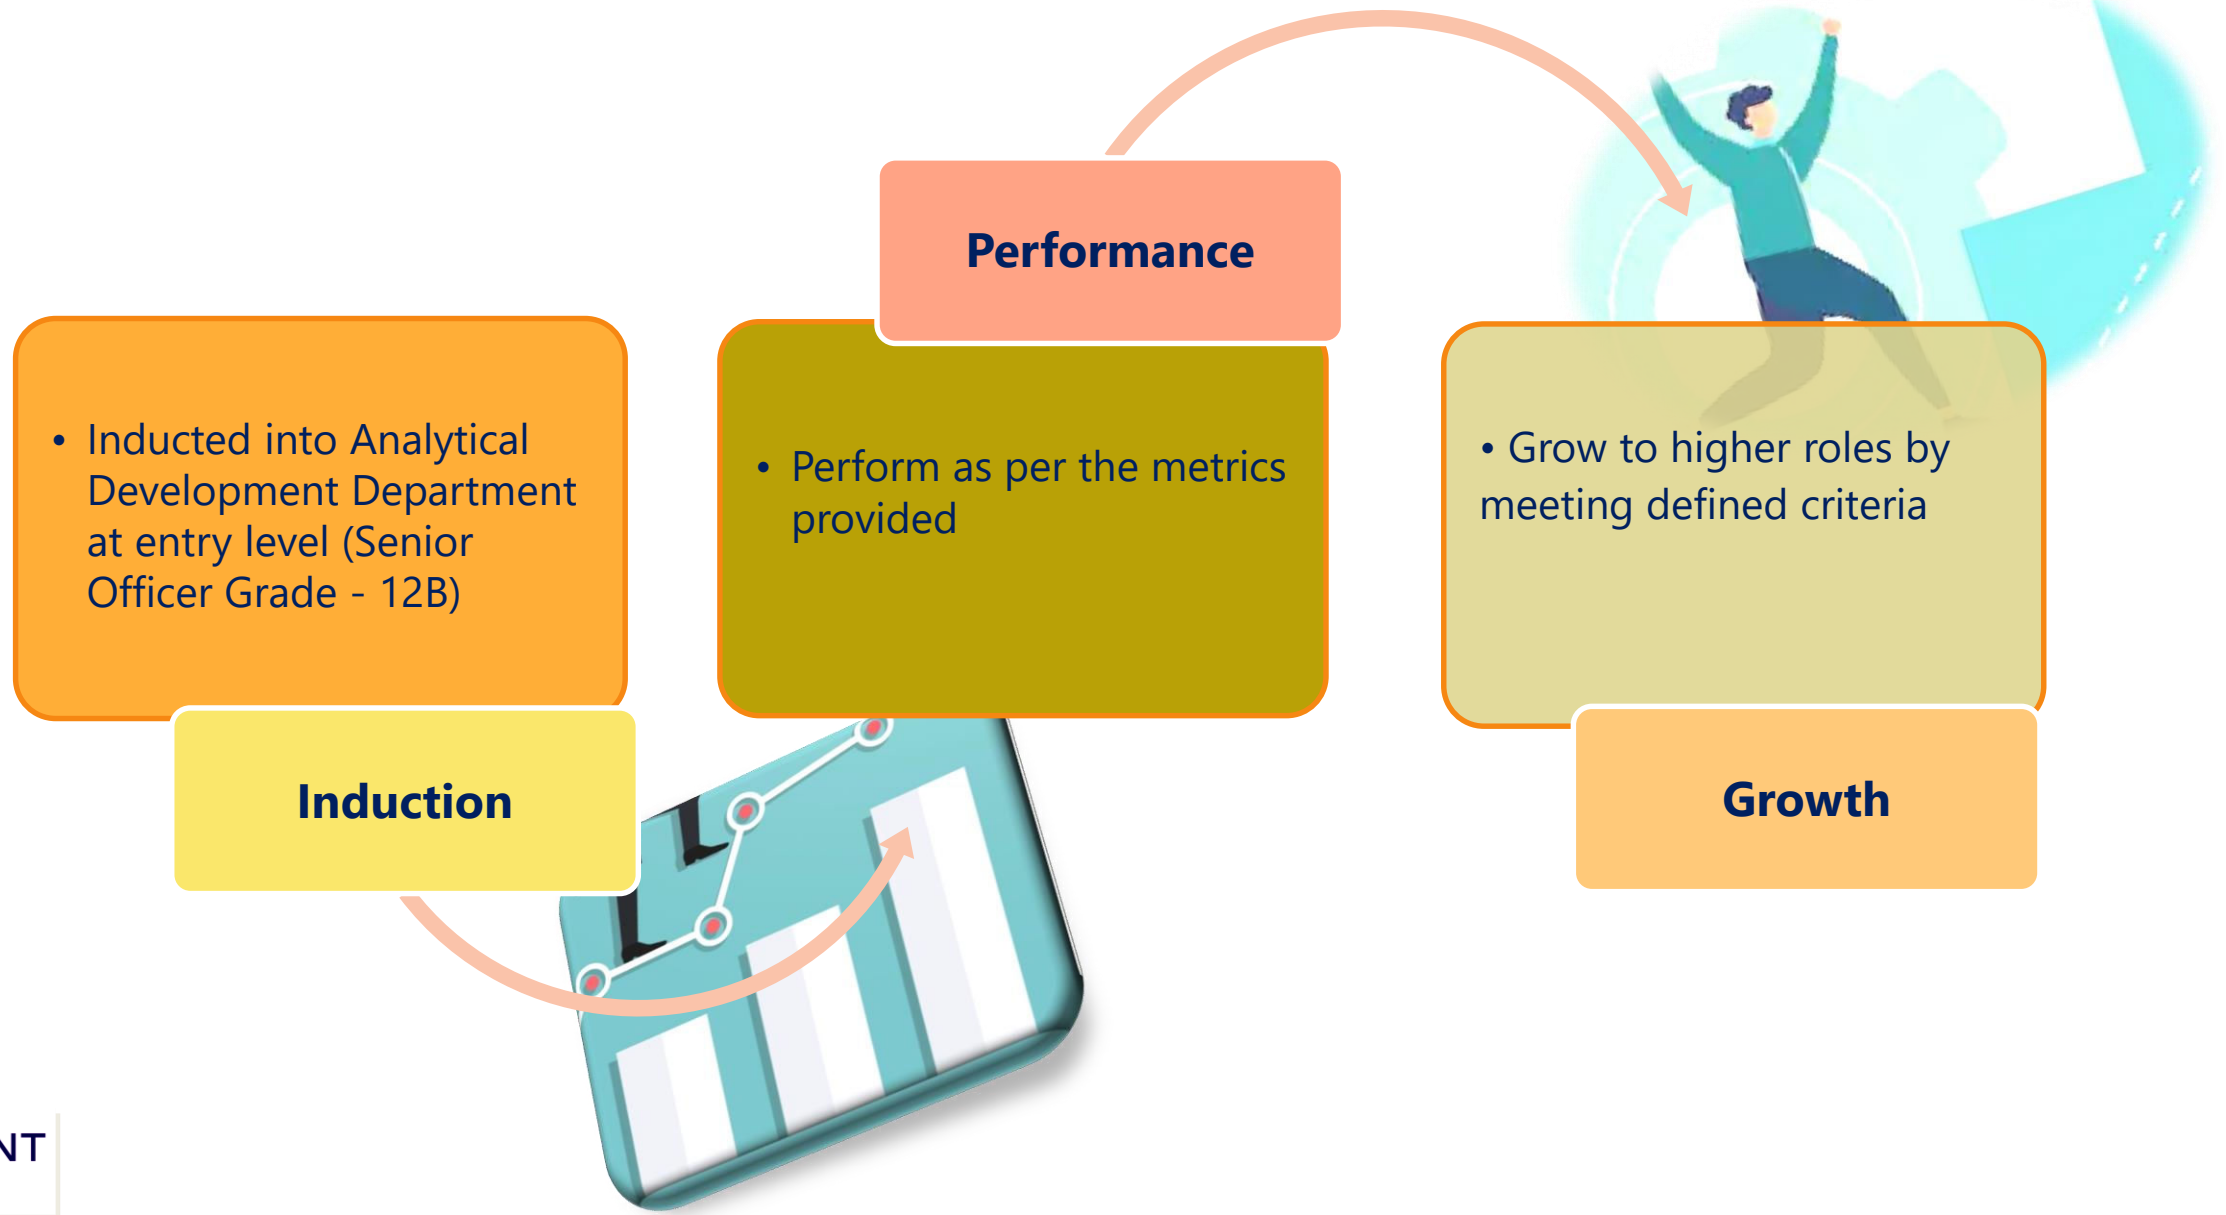

Second step: Online/ offline interview of the shortlisted candidates of the Technical and Aptitude test for preparing the final shortlist. The candidates who have been finally selected shall be communicated through their personal mail IDs. The selected candidates would be absorbed as per vacancy availability.
